Wednesday 15th June 2016

Term 2 Week 10

We celebrate life long learning in an innovative, challenging and collaborative community environment.

Dear Parents and Guardians

Semester one is almost complete and on reflection it is amazing to think of all the new programs, activities and challenges our students have engaged in over the past twenty weeks. Our extended language programs, new sport programs both in school and after hours, increased music programs with the introduction of our Piano classes, our school master plan is taking shape and our sister school relationship with Hefei China has been a wonderful success.

Our sister school staff and students are very appreciative of the learning materials we have shared and enjoy reading our school newsletter each week. We are looking forward to extending our English and AFL programs with Hefei School over the coming years. Our new swimming squad will be working very hard in semester two and we look forward to competing at the Inter School Swimming Carnival in September.

Four of our staff members have recently attended interstate conferences which has been very valuable for our school in supporting our future pathways and curriculum planning. A key focus area from the conferences was the future development of school wide information technology integration and understanding the latest techniques in supporting student pastoral care and well-being needs. Our new NEST (Nightcliff Education Support Team) centre is now in service and this area is proving very popular with our students. The new soft fall corner and new kitchen are a big hit!!

School reports will be sent home at the end of this term and I would like to once again offer parents and guardians the following information to help clarify the report grading system. The grading levels are exactly the same as what students received last year, for Years One to Six students will receive a grade from A to E.

The grades are selected from the following descriptions:

- A - well above** the expected level for their year
- B - above** the expected level for their year
- C - at** the expected level for their year
- D - below** the expected level for their year
- E - well below** the expected level for their year

Our Regional Director Ms. Aderyn Chatterton visited our school yesterday and was very impressed with our school programming and planning. In particular she was most impressed by our student's ability to recite their class learning intentions and how they as learners were excited about their engagement in the subjects they were studying. I would also like to congratulate the students and staff on the fabulous artefacts that were present in the classrooms. The student's work which was on display was a credit to the pride each child shows in their class projects. Congratulations everyone!

As always, if you are in the school grounds please feel free to drop in and say hello.

Graham Chadwick
Principal

IMPORTANT DATES TO REMEMBER

THURSDAY 23RD JUNE

SPORT DAY

FRIDAY 24TH JUNE

LAST DAY OF TERM 2

MONDAY 27TH JUNE –FRIDAY 22 JULY

SEMESTER BREAK

MONDAY 25TH JULY

PUPIL FREE DAY

TUESDAY 26TH JULY
SCHOOL

STUDENT RESUME

Nightcliff Primary School
