Term 3 Week 1

We celebrate life long learning in an innovative, challenging and collaborative community environment.

Dear Parents and Guardians

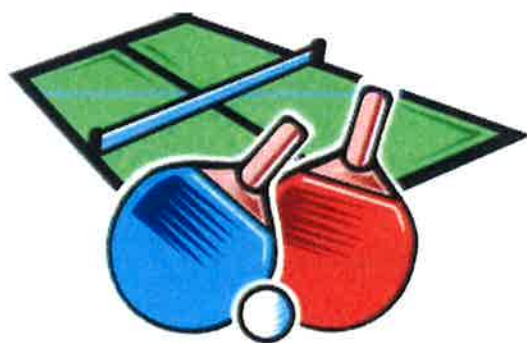

Welcome back to Term 3 everyone, it was great to catch up with the students yesterday and they were very excited to back at school with their classes and friends. Semester 2 will be a busy semester and as you have probably noticed we have some major infrastructure works currently in progress. Over the next two months we will have all new water pipes and upgraded fire safety outlets in place throughout the school.

We also received great news last week that our basketball and netball courts will now be completely covered with a waterproof roof cover and lighting. This will be a great addition to our sports programs and in general a large undercover area for our everyday student activities.

Next Thursday a high level delegation from Hefei Normal University China will visit NPS. Our sister school in Anhui Province is affiliated to The Hefei Normal University. It will be a wonderful opportunity for our students to meet with this delegation and to showcase their activities and school programs currently in place at NPS.

We would like to welcome our 20 new students to NPS this semester and we look forward to catching up with our new families at our semester 2 community functions. Our Extravaganza, Fathers-Day breakfast, 3 Way Conferences and school assemblies are just some of the great activities in place for semester 2.

Our swimming squad commences next Friday with 32 of our students attending Nightcliff Pool to begin training for the inter school swimming carnival in October. Our students have been training throughout term 3 and we are very excited about our semester 2 swimming program. Our inter school AFL competition will start next week including the Tennis NT, Darwin Championships gala day in week 4. Our school will begin table tennis activities this semester and we have purchased new equipment to run lunchtime competitions over the coming weeks. I know our students are very keen to begin these activities.

Skoolbag Schools send over 6.7 Million free instant push notifications

a year! The Skoolbag app is proving to be very popular and we encourage all family members to load the app on to your iPhone or android devices. The Skoolbag app will be an easy way for the school to inform parents and carers of everything you need to know about school news, newsletters, events calendar, cancellations, school notices, school information, school time-tables, student sick note forms, school documents and much more.

As always, if you are in the school grounds please feel free to drop in and say hello.
