Nightcliff Primary Newsletter

Wednesday 4th April

Term 1 Week 10

We celebrate life long learning in an innovative, challenging and collaborative community environment.

Dear Parents and Guardians

Our three way conversations were a great success last night with positive feedback about how our students are enjoying their school and progressing well in their academic studies. Our new PRIME Maths program is proving popular with the students and our recent improvement gains in our whole school mathematics is testament to the quality of this program.

The Life Education mobile classroom has been at NPS for the past week and has given our students the opportunity to explore healthy living ideas in a creative and collaborative learning space. Children are encouraged to participate and learn through engaging education experiences, which Harold believes brings out the best in all children.

By taking this comprehensive approach to health education, Healthy Harold's modules help children to develop relationship skills, positive communication (both face to face and online), problem solving and decision making skills. This program provides students the opportunity to develop strategies, and practice the skills required to have positive online experiences.

It is amazing that we are almost in the last week of the school term and students are finalising their academic and class projects. Our swimming program begins in term two so it is important that all participating students are registered to ensure as many students as possible learn safe/survival techniques when around water. If you require further information please contact the front office for assistance.

As always, if you are in the school grounds please drop in and say hello.

Graham Chadwick
Principal

April

Friday 6th:

Swimming Lessons

Early Years (Preschool to Year 2)

During the first two weeks of Term 2, beginning on **Monday 23rd April**, the first day back of term, the Early Years classes (Preschool to Year 2) will be attending swimming lessons at the Nightcliff Aquatic Centre. The students will participate in 8 lessons from Monday 23rd April until Friday 4th May.

The cost for these lessons is \$64. This cost includes pool entry, swimming instruction from qualified Royal Life Saving Society instructors and a certificate.

Please ensure your payment and consent forms are back to the school no later than Friday 13th April

After School Sport

A reminder to parents/carers that school cricket will finish up in week 10 (not returning to NPS in term 2)
Table Tennis and Tennis will finish week 11 returning week 1 term 2

LOST PROPERTY

The lost property box will be emptied on Friday 13th April. Please feel free to come and have a look for your child's lost lunch boxes, hats etc.

All unclaimed property will be donated to Red Cross.
